Dear Mr. Riley:

On March 28, 1978, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

If an employee has an unlisted telephone number, that fact should be made known to management in a clear and direct manner. Such did not appear to be the case in this grievance. Management should make every effort to protect known unlisted telephone numbers provided by employees. There appears to be no violation of the National Agreement by management as referenced herein and this grievance is closed.

Sincerely,

*Richard A. Sheftel*
