Dear Mr. Overby:

On November 21, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The question in this grievance is whether local management is proper in issuing "Letters of Concern" to letter carriers who have been bitten by dogs.

During our discussion, it was mutually agreed that the following would represent a full settlement of this case:

The local office will immediately discontinue the use of "Letters of Concern."

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Sincerely,

  
A. Johnson  
Labor Relations Department
