Dear Mr. Riley:

On August 4, 1977, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

Conflicting statements have been made concerning the alleged harassment. However, it is anticipated that street supervision will be conducted in a proper and business like manner and it will not be accomplished with the intent of harassing a carrier.

Sincerely

Robert B. Gubbell
Labor Relations Department
