Dear Mr. Riley:

On December 13, 1977, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

In this particular case, the evidence does not support the contention that the grievant was denied annual leave in violation of the National Agreement.

In order to resolve this grievance, the Postmaster is being advised that depending on operational needs, consideration should be given to granting annual leave in the carrier craft prior to assigning part-time flexible carriers in the clerk craft.

Sincerely,

*James J. Facciola*
