Re: Class Action
Warren, MI 48089
HIN-4B-C 18836

Dear Mr. Johnson:

On several occasions, the most recent being October 27, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The question in this grievance is whether management may properly require an employee, who is involved in an accident, to complete the locally devised Accident Prevention Inquiry Form.

During our discussion, it was mutually agreed that the following would represent a full settlement of this case:

The completion of the local form by an employee shall be voluntary. However, an employee may be required to answer the questions verbally. Such information can then be documented by the manager on PS Form 1769.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Sincerely,

Leslie Bayliss
